

LOCATION

At the premises of the University

The main building is located along Budapest's Tram 2 chosen by National Geographic the seventh nicest tramway in the world and the first in Europe!

The Botanical Garden of the Buda Campus is a pleasant and refreshing environment during the summer.

Budapest is one of the finest capital cities in Europe, and also one of the best locations. The broad Danube River runs through the historic centre. UNESCO has declared the riverside panorama a World Heritage site. There are at least 45 attractions to be found in and around Budapest. The city's cultural life is extremely diverse so one can select a different type of entertainment every day. Budapest has something in store for everyone!

Hungary – A love for life! Despite its relatively small size, the country is home to numerous World Heritage Sites, UNESCO Biosphere reserves, the second largest thermal lake in the world (Lake Hévíz), the largest lake in Central Europe (Lake Balaton), and the largest natural grassland in Europe (Hortobágy). Hungary is proud to be home to 14 Nobel Laureates, 10 world famous inventors and scientist, and 12 world famous artists of Hungarian origin.
